Has it been a long time since you were in the classroom?
Teaching strategies have changed.
Find out what the Maths classroom of the 21st century looks like.

You are invited to attend a presentation by teachers that will explain:-

• What is reciprocal numeracy and how is it used in the classroom?

• How can I help my child with Maths at home?

• How to learn about 3D shapes using concrete materials? (interactive)

Where? The library at Revesby South P.S.

When? Monday 27th June

What time? 6:30 pm to 8:00pm (including supper)

Regional Numeracy Consultant, Katherin Cartwright will present parents with ‘at home’ strategies to assist children including resources.

All parents and friends K-6 will benefit from this presentation.

Bring your questions!!

Please return this slip if you will be attending
